## Introduction

As **Forward Bank** completes its digital upgrade, you will need to modify your Quicken settings to ensure the smooth transition of your data. Please reference the dates listed with each task as this information is time sensitive.

To complete these instructions, you will need your **updated login credentials** for online banking.

**NOTE:** **Direct Connect** may require registration. Please contact **your financial institution** to verify your Direct Connect login information. **Web Connect** uses the same User ID and Password as the **Forward Bank** website.

Make sure to complete the following instructions as described and in the order presented. If the order is not followed, your online banking connection may not function properly. This conversion should take 15-30 minutes.
